Thought for the Day:

"If you aren't fired up with enthusiasm, you will be fired with enthusiasm."

Vince Lombardi

"For I know your eagerness to help, and I have been boasting about it to the Macedonians, telling them that since last year you were ready to give; and your enthusiasm has stirred most of them to action."

Energy Conservation Tips. Please help us save energy and reduce the Army's energy bill. Everyone can do their part by applying the following "green tips": turn off lights and electrical equipment when not being used, turn off exterior lights during daylight hours, use car wash facilities to wash vehicles, report ALL water leaks to DPW, take short showers, dispose of paper in a waste basket instead of the toilet, use water sparingly to irrigate garden/lawn. **Thank you :-)**
